

## 1. Questions personnelles

1. Je **me suis couchée** à **une** heure

Explanation: Reflexive verb (se coucher); need subject agreement + spelling

2. Oui, je **me suis couchée** après 12h.

Explanation: Reflexive verb (se coucher) need subject agreement + spelling

3. Non, je suis **allée** avec mon ami.

Explanation: You're a woman; reflexive verbs take the gender of the subject. :-)

4. ??? Non, je suis déjà?

Explanation: I don't know what you've written or tried to write in this one.

5. Je n'**ai** jamais **pas** mangé d'escargot.

Explanation: Ne...jamais is a negation pair (never); you can't add "pas."

## 2. La Routine

3. Elle s'**est a** douchée avant d'aller à l'école.

Explanation: Reflexive verb (se doucher) + subject agreement (feminine)

4. Nous ne **nous sommes** pas **avons** couchés **pas** avant minuit.

Explanation: Reflexive verbs (se coucher) + subject agreement (plural)

**General Note: Remember, reflexive verbs take a pronoun and être, not avoir.**

## 3. Une Famille Folle

1. Ne **vous** dormez pas (**or plus**).

Explanation: Ne dormez pas = Don't sleep; Ne dormir plus = Don't sleep anymore

2. Brossez-**vous** les dents.

Explanation: Reflexive verb

3. Ne **vous** fermez pas la porte!

Explanation: Conjugation

Overall comment: Pronouns aren't used for regular verbs but ARE used for reflexive verbs (That's why you don't need vowels in 1. or 3. but do in 2.); also é and ez sound the same, but they're different conjugation forms.

#### 4. L'imperatif

1. **Dépêchez vous!**

Explanation: Conjugation

2. **Donnez-moi** le sel.

Explanation: Conjugation

3. **Prends**

Explanation: Wrong verb choice + conjugation (Prends ta veste = take your jacket)

4. **Ne t'endors pas**

Explanation: Wrong verb choice + conjugation (Ne t'endors pas = don't fall asleep)

#### 5. Lecture

1. Vous trouverez la Joconde **au** musée du Louvre. (He noted this error but didn't take points off.)

3. You'll have a view of the Latin Quarter when you walk on the Champs-Élysées: **FALSE (You can't see the Latin Quarter from here)**

4. The Orsay Museum has the largest collection of impressionist art in the world: **TRUE (Apparently this is true! Who knew?)**

5. **Oui, nous sommes déjà ~~allé~~ons-allés au Quartier Latin; Nous sommes allés dans des cafés et des librairies.**

Explanation: A couple of problems here; conjugation (reflexive + subject agreement). Also, incoherent sentence structure. (cafés, libraries, et des gens intéressants is just a fragment.)

#### 6. Mini-rédaction

1. J'irai **au** musée (He didn't mark off for this though)
2. Je mangerai beaucoup **de** baguettes. (No marks taken off here either)
3. Je verrai **les** sculptures **du** Louvre. (No marks taken off)
4. Je **prendrai** le **m**é**t**ro. (Wrong verb + metro is masculine)
5. Je **peindrai** **des** tableaux avant lundi. (Wrong verb (peindre = to paint) & article)
6. Je visiterai **le** Champs Elysées. (No marks)
